

MASSAGE

Massage Instruction

LIVE NCBTMB APPROVED CONTINUING EDUCATION COURSES

INTERPRETIVE TOUCH MASSAGE

15 Credits

The Interpretive Touch Massage combines the theory and techniques of the Delta and Pulse Wave Massages in a choreographed sequence of strokes with intermittent interpretive spaces that allows for the client's uniqueness while enhancing the overall effectiveness of the massage.

DELTA WAVE MASSAGE

7 Credits

The Delta Wave Massage™ focuses on bringing the body and mind into the Delta Wave stage of relaxation where most of our healing takes place.

PULSE WAVE MASSAGE

5 Credits

The Pulse Wave Massage uses pulsating pressure to safely and painlessly achieve depths not possible in traditional deep techniques, thus allowing for Delta relaxation to still be reached even in deep work.
